

BACKPACK KITS

Hand-Picked Miller Series Tools in Four Rugged Kits

The Advanced Fiber Prep Kit, Ultimate Fiber Prep Kit and Fiber Splicer's Kit offer bespoke packages of Miller Series tools for professional fiber technicians.

Get the job done faster with every tool comfortably in one place.

Our fiber tool kit backpacks are designed to tackle the most complex installs, with room for over 25 of Ripley's industry leading fiber optic cable prep or low voltage distribution tools.

Technicians know they have to be ready for any challenge once they're on site, but knowing exactly what is waiting for them is impossible. That's why Ripley designed 4 tool kits in our new technician's backpack with enough storage to bring the shop to the job site.

Tailor-Made Kits

- Advanced Fiber Prep Kit features our classic KS-1 shears, iconic CFS-3 fiber strippers, updated FOJST, MB02 slitters and more to tackle most jobs
- Ultimate Fiber Prep Kit contains everything in the advanced Kit plus fiber cleaners, visual fault locators and the MB11 and US14 to access difficult outside-plant fibers with ease
- The Fiber Splicer Prep Kit is aimed to outfit fiber splicers, with the critical fiber prep tools plus our tools to manage glass shards & cleanup safely
- Kit Size: 2.875" x .875" x 2.125" (33 x 17.5 x 41 cm)
